History and Experience

About P&L Group

P&L Group is Ireland's Complete Carpentry & Joinery Specialist Team. Since 2004 P&L Group have been delivering and managing well known construction projects all across the country varying in value from 5 million euro to small works.

Complete Carpentry and Joinery Company

P&L Group have built-up a wealth of experience across the construction industry. From site setup to high-end joinery/fit-out works. We have successfully completed projects that have included the Complete Carpentry and Joinery Package. We were the one point of contact for the Supply & Fit Door Package, Carpentry Package, Kitchen & Wardrobe Package & Joinery Supply & Fit Package, from the tender stage out.

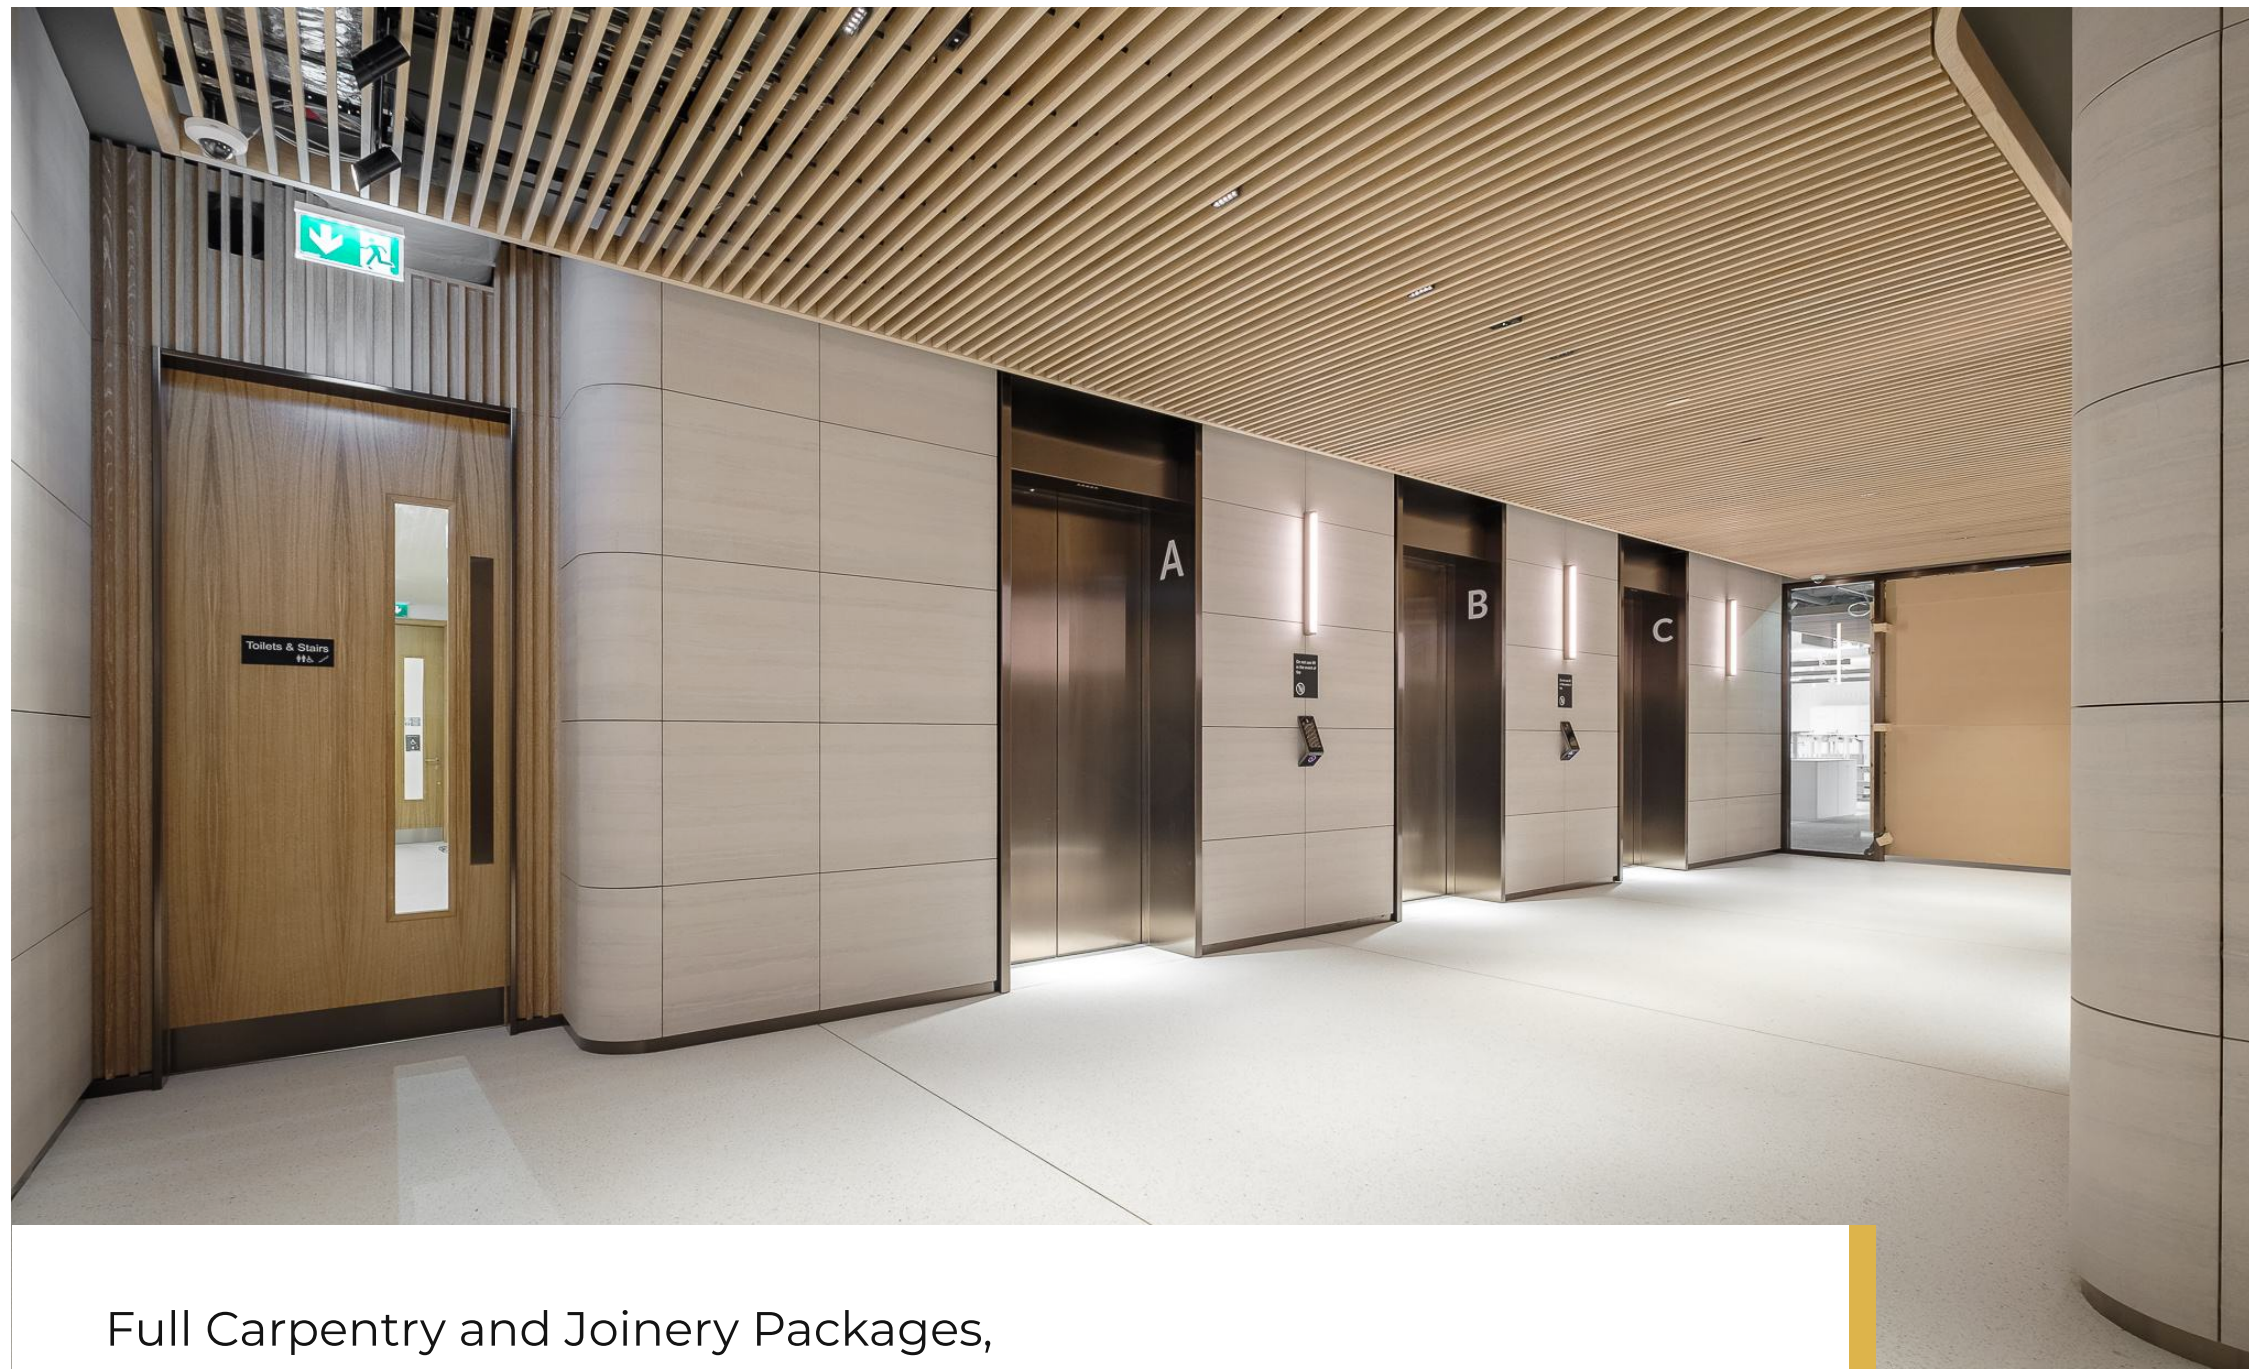

We are excited about all the packages, we can offer, to our clients through our Carpentry & Joinery company. We can be the One Point of contact for the Complete Carpentry Package from Tender through design to completion. We have the Estimating & Tendering, Design & Development, Project Management, Build and Installation teams, in place, to deliver any Carpentry / Joinery packages that are required.

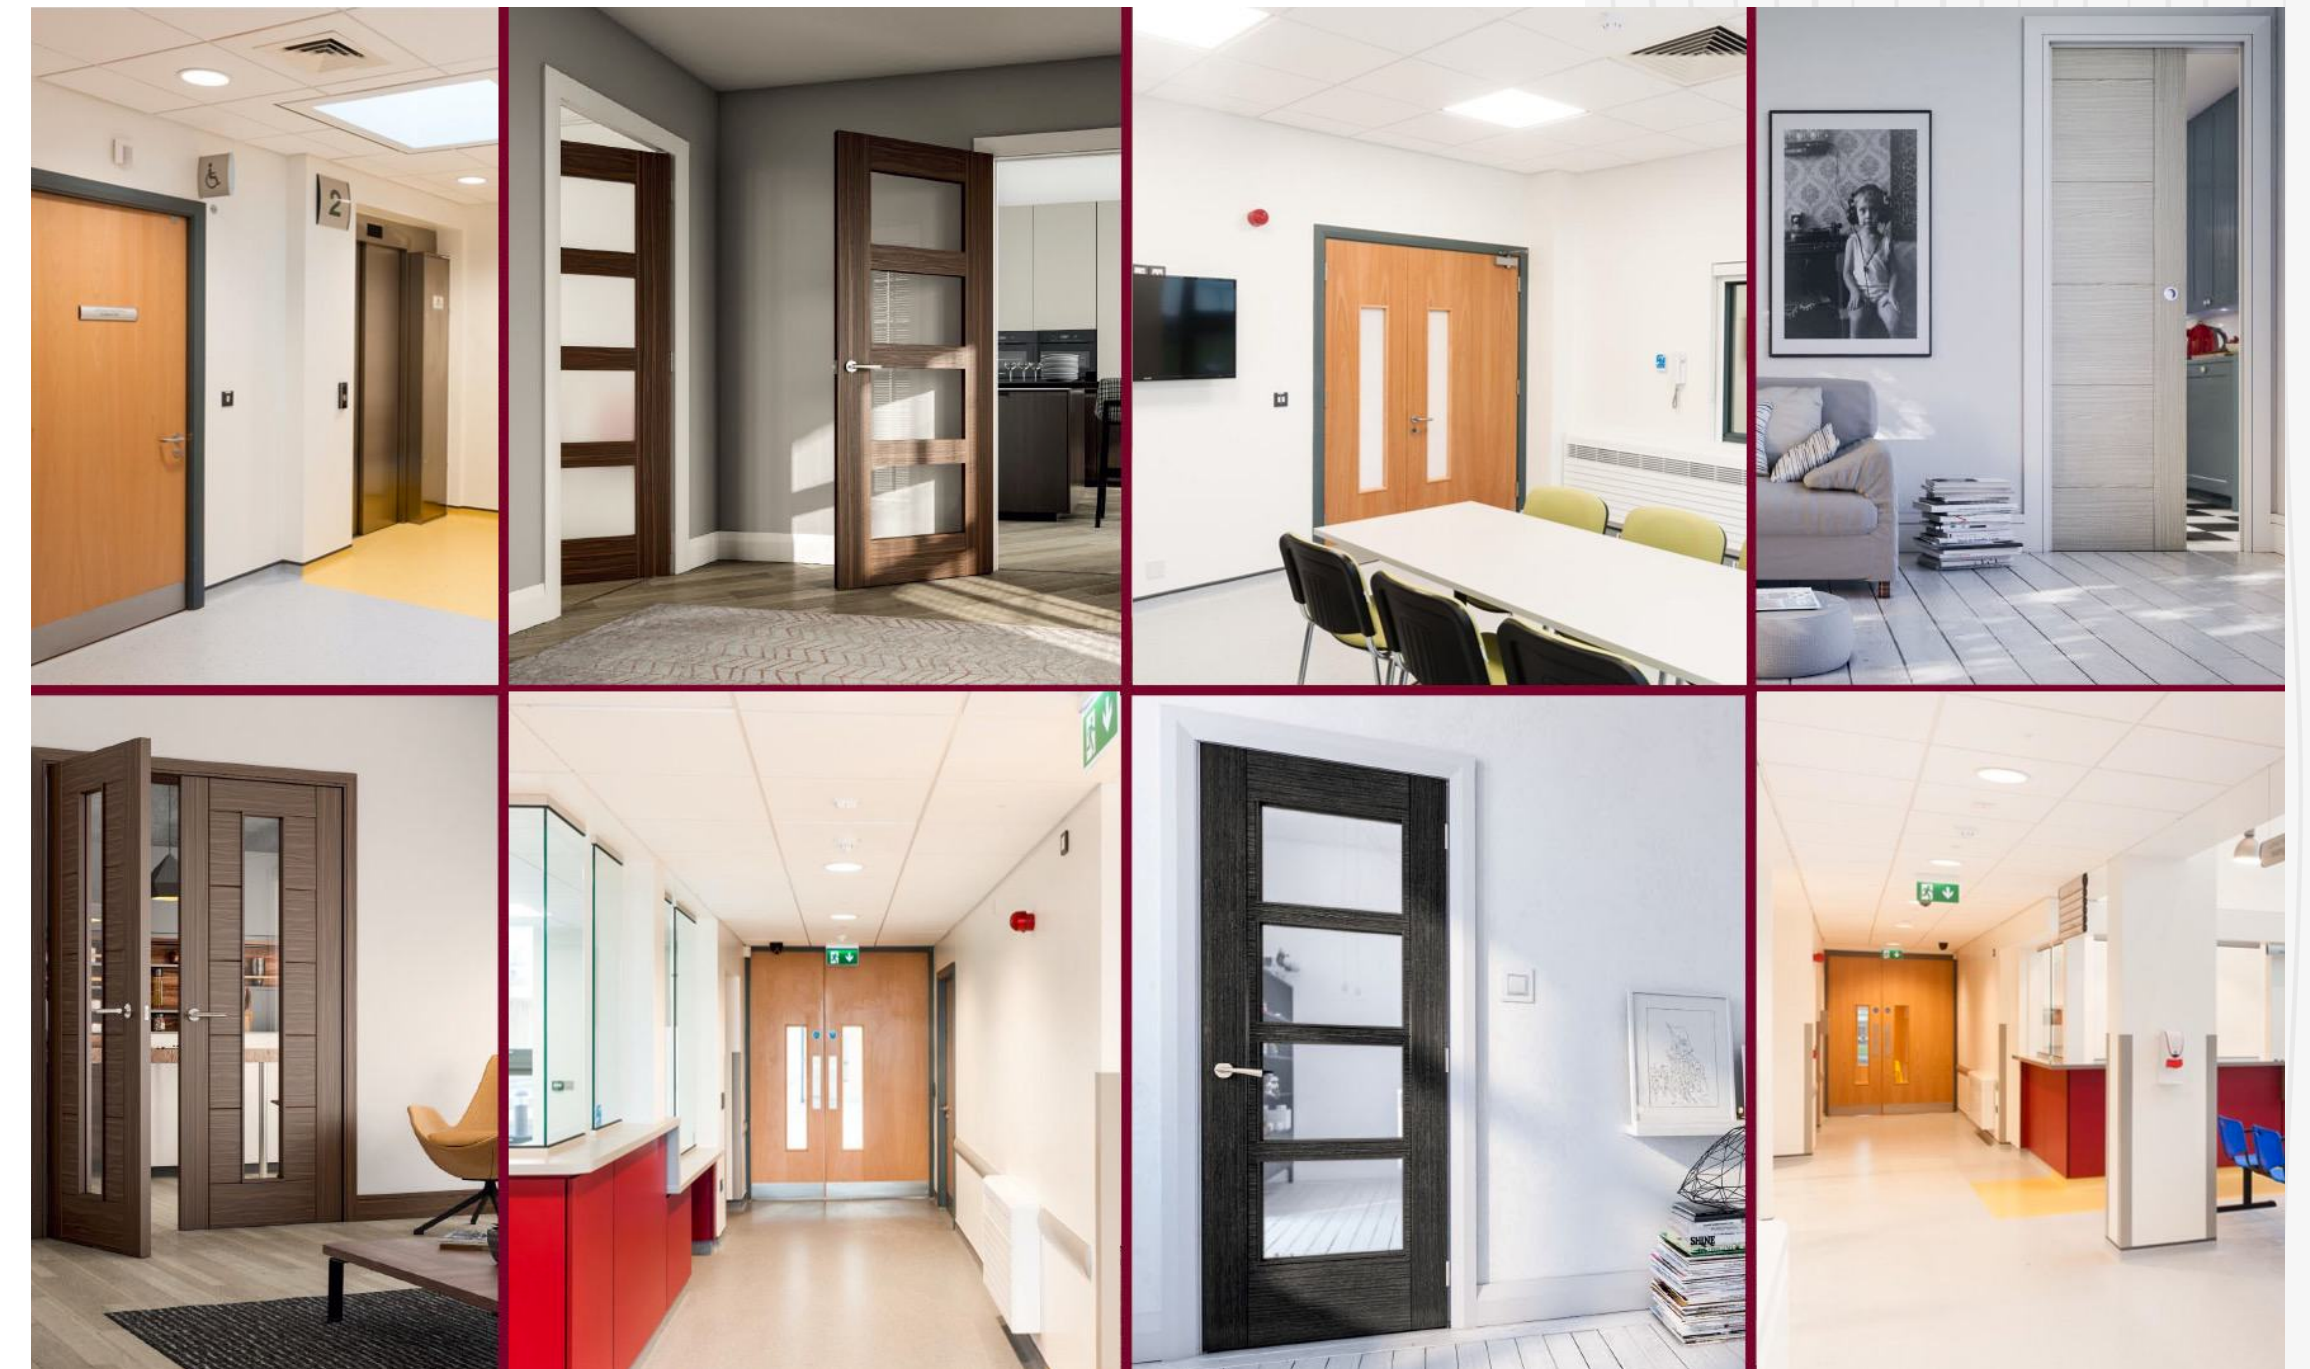

Quality and management Is What We Deliver

P&L Group's quality approach to every project can be seen across the company - all the way from the management team to site management, joiners, carpenter and apprentices. The key to our success to date has been the ongoing development of these packages, the quality of our product, and our attention to detail and the service provided by our team.
